Prices are listed in CZK per individual piece (shipment) without VAT.

Delivery time is meant usual shipments from pickup to delivery.

**The price of transportation is added toll in the amount of CZK 1,30 / kg and the current fuel surcharge.**

\* Islands + outlying areas (see list of postcode).

\*\* IMPORT not offered.

\*\*\* Delivery time not include the time needed for customs clearance.

\*\*\*\* The delivery to the islands and remote areas to Great Britain, Germany, Denmark, Finland, Estonia, France, Sweden, Italy and Netherland, surcharge be added.

Airfreight to Cyprus, Malta and Greece – packing list and invoice must be provided in advance to check if any restriction is in force e.g. batteries, in such case Master safety data sheets is mandatory. If the volumetric weight is higher than the actual weight of the shipment, the transportation charge is calculated according to the volume (volumetric weight).
