The price of transportation is added toll in the amount of CZK 1,30 / kg and the current fuel surcharge.

Prices are listed in CZK per individual piece (shipment) without VAT.

The price not include the processing of customs documents.

Delivery time is meant usual shipments from pickup to delivery.

* Islands + outlying areas (see list of postcode in the Export price list).

Airfreight to Cyprus, Malta, Greece and Turkey – packing list and invoice must be provided in advance to check if any restriction is in force e.g. batteries, in such case Master safety data sheets is mandatory.

If the volumetric weight is higher than the actual weight of the shipment, the transportation charge is calculated according to the volume (volumetric weight).

Import price list of parcel shipments is valid from 01. 04. 2018.
