

STANDARD FUEL SURCHARGE RATES

The fuel surcharge rate for road transport is directly linked to the average diesel price* reported by the Czech Statistical Office and published every Friday on the following website

<https://www.czso.cz/csu/czso/setreni-prumernych-cen-vybranych-vyrobků-pohonné-hmoty-a-topné-oleje-casové-radý>

*Average price of diesel in CZK (CZK / liter)	Fuel surcharge
less than 24,99	0%
25,00 - 29,99	3%
30,00 - 34,99	6%
35,00 - 39,99	9%
40,00 - 44,99	12%
45,00 - 49,99	15%
50,00 - 54,99	18%

If the average price of diesel fuel in Czech Republic rises above the highest value listed in the table, the fuel surcharge will be increased by 1% per 1 CZK.

The fuel surcharge is calculated based on the net transport price according to the current Geis CZ s.r.o. price list, excluding additional fees such as tolls, etc.

The fuel surcharge is determined based on the average diesel price* reported by the Czech Statistical Office for the penultimate complete week of the previous calendar month and applies for the entire following calendar month.

The fuel surcharge is always listed separately on the transport invoice.
